

What should I send for lunch?

Many of our campers have peanut or nut allergies, so please do not send your camper with nuts or any product that may contain peanuts or tree nuts. Your child will be very active in our camp programs playing games and sports, swimming, carrying their backpack when they walk, etc. Children need healthy lunches to fuel this high level of activity please ensure your camper comes with a refillable water bottle and a hearty lunch packed in a labelled, insulated lunch bag with an ice pack. Milestones will provide two snacks daily which follow Food Guide. When you plan your lunch, please keep in mind that there is limited space in the refrigerators and there are no microwave ovens available.

What happens if my child needs medication during camp hours?

If your child needs to take medication during their time at camp, it will be your responsibility to bring it to camp with your child. There will be a medication form which will need to be completed prior to the medication being administered.

requires that the first dose of medication is given at home so you are able to watch for possible side effects. We can only administer medication which is in i to be administered.

If your child has lifesaving medication (i.e. epi pen or inhaler) the expectation is that it comes to camp with the child. If that medication does not come, we will not be able to allow the child to stay at camp that day.

Do you accept registrations from families who qualify for child care fee subsidy?

accepts registrations for children regardless as to whether fees are paid through child care fee subsidy or families. To apply for partial or full subsidy, call St. Thomas Elgin Social Services at 519-631-9350 and chose option #3.

are fee subsidy office as well as any partial payment as required.

What is required if I want to add extra days to my original registration?

In the event that you would like to add extra s summer camp experience, please Centre with your request. We require two advance notice to add the additional days. We will do our best to accommodate the request however the acceptance will be based on space availability.

includes any electronic devices/games.

You will be sent a confirmation email with the school location, the room number as well as the program cell phone number. It will also confirm the days you have registered for.
